

MEDICAL HUMANITIES ADVISING

If you are interested in learning about medical humanities, want to talk with faculty, are curious about course offerings, or have questions about the minor or other programs, there are several opportunities this Fall.

Scan the QR codes to add the individual events to your calendar

October 20, 2021, 7PM

Zoom Advising Session

This is an opportunity to ask questions as you plan your Spring 2022 semester. Faculty will review Spring course offerings and research opportunities and will answer all of your medical humanities questions.

October 5 and November 3, 12-1PM

Monthly Table at Brochstein Pavilion

Visit informally with a couple of faculty in Medical Humanities for advising or conversation.

Tuesday Oct. 5

Wednesday Nov. 3
